AVNET®

Benefits of using MyAvnet

With a portfolio of self-service tools and valuable content, MyAvnet brings all your business with Avnet into a single digital experience.

Self-service tools

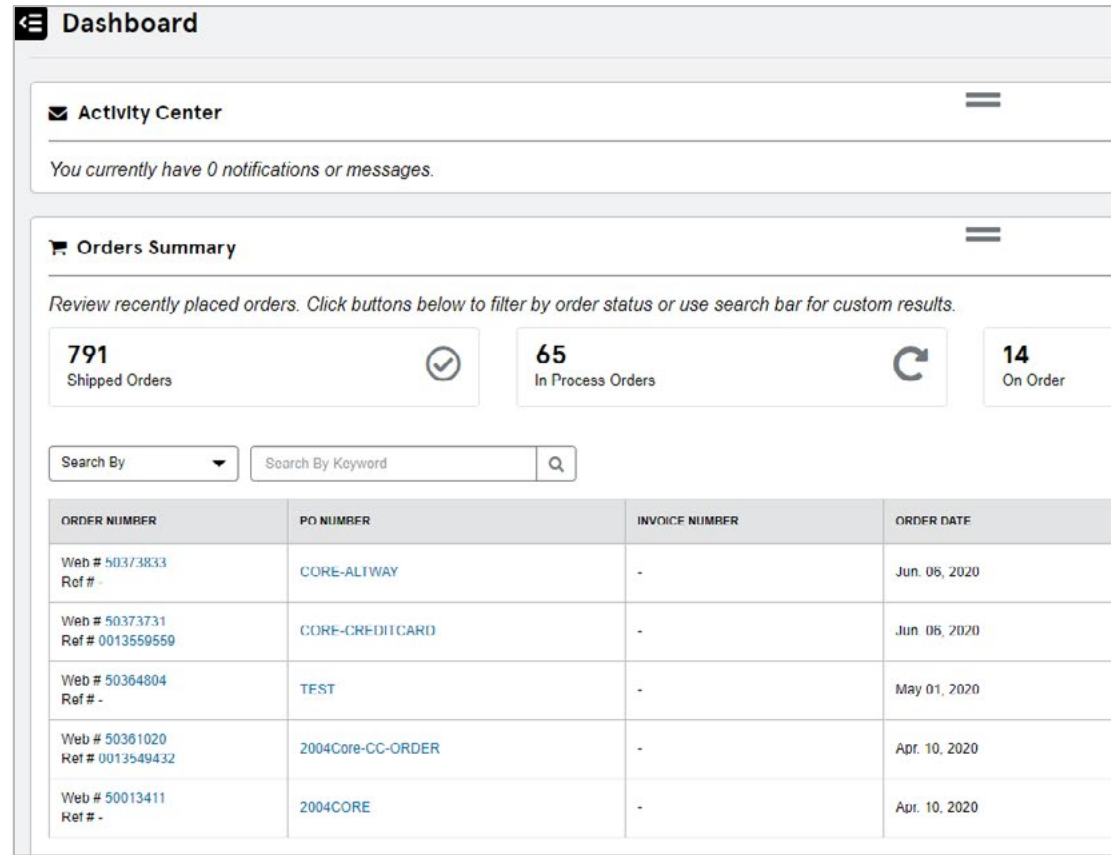

Whether it's placing orders, getting order status, requesting a quote, creating a bill of materials and more, MyAvnet empowers you to do more on your own. Access the information you need and engage with Avnet whenever you want – all through a single digital interface.

Valuable content

Real-time product details, availability, pricing, technical documentation and datasheets are just some of the valuable content at MyAvnet – and it's all available whenever you need it.

This guide

This overview guide provides information about the many features of MyAvnet – what they are, how to use them and links to more information. We hope you find this helpful and we welcome your ideas to make it better.

Interactive MyAvnet dashboards like this one enable you to quickly place orders and obtain pricing details.

Overview of MyAvnet tools

Register

Sign up for an account to access the self-service tools.

Sign in

Access your account and other information.

Dashboard

View account snapshot of notifications and pending items.

Reports

See summary of open orders or recently shipped orders within the previous 12 months. Schedule reports to be run automatically on preferred frequency.

Quotes

Submit a quote for approval. Search submitted quotes and view open quotes.

PO upload

Upload purchase orders, and once mapped, submit to cart or request a quote. This expedites checkout process.

BOM

Upload a Bill of Materials for projects or upload multiples and assign to specific projects. It's a quicker way to request a multi-line quote.

Forecast

The MyAvnet Forecast Response Tool empowers a customer to monitor their forecast in real time including a 13-week view of their forecast and indicators of risk if any.

EOL/PCN

Eligible customers can review any product change notification and/or end-of-life products.

Quick Buy

Skip the parametric search and stock check/price check the exact parts needed. It's a quicker way to build a multi-line item cart.

The screenshot shows the 'PCN Alerts' page. At the top left, a green box with the number '1' points to the page title. At the top right, a green box with the number '2' points to the navigation bar containing 'Information', 'PCN Alerts Subscribe/Unsubscribe', 'Email', and 'Exp'. Below the title, a green box with the number '3' points to the search and filter section, which includes a search bar and a filter dropdown set to 'ERRATTA'. Below that, a 'FILTERS' section shows 'Order Type' (ERRATTA), 'Manufacturer' (Microsoft), and 'Status' (Shipped). The main table has columns: CUSTOMER PART NUMBER, MANUFACTURING PART NUMBER, MANUFACTURER, PCN DOWNLOAD, AFFECTED PARTS, ISSUE DATE, CHANGE TYPE, IMPACT, and LAST DUE DATE. A green box with the number '4' points to the first row's 'CUSTOMER PART NUMBER' cell. A green box with the number '5' points to the 'LAST DUE DATE' column header.

Parametric search

How to access

The screenshot shows the Avnet website's navigation menu and search results. The navigation menu includes: PRODUCTS, MANUFACTURERS, SOLUTIONS, RESOURCES, COMMUNITIES, and ABOUT AVNET. The PRODUCTS dropdown menu lists various categories such as Amplifiers, Analog Switch Multiplexers, Antennas, Batteries, Cables & Wires, Capacitors, Chemicals & Adhesives, Circuit Protection, Communication & Networking, Connectors, Data Conversion, Displays, Discretes, and Electromechanical. A 'SEE ALL PRODUCTS' link is at the bottom of this list. The search bar contains 'lm32' and shows a search icon. The search results are titled 'Recommended Parts' and list several items: LM32HB-V3 (Display Logic, HIGH BRIGHT LCD W/LED DRIVER), LM32-FHD-1500-XLPS (Display Logic, 32" 1500NIT FHD TFT LCD, LED DRIVER WITH MP128FL POWER SUPPL), LM324 MWA (Texas Instruments, OP Amp Quad GP ±16V 32V DIE), GW P7LM32 CM-QSQU-XX55-1 (Osram Opto Semiconductors, DURIS S 10 4000K), and GW P7LM32 CM-QRQT-XX56-1 (Osram Opto Semiconductors, DURIS S 10 3500K).

NOTE: If a customer's part number has been updated in Avnet systems, customers may also search for parts using their CPN.

Order details & re-order

How to access

Visit the Order History page or order confirmation email.

The screenshot shows the 'Order Details' page. At the top right, there are three icons: 'Email', 'Export Orders', and 'Print Page', with a green box labeled '1' pointing to them. Below this is the 'Order Information' section with fields for PO Number (118812), Web Order Number (Web# 46022577), Sales Number (Ref# 0012784175), and Order Status (Shipped). The next section contains 'Buyer Contact Information', 'Billing Address', 'Shipping Address' (SUPCO MANUFACTURING, 5000 E CENTRAL DR, ANAHEIM, California 92807-2024, United States), and 'Shipping Method' (EMA, Avnet Carrier). Below that are 'Invoice(s)' (9106472712), 'Tracking/Waybill Number' (46693600), 'Payment Method' (Order Tax Exemption No, Terms Account Information 0040010383), and 'Additional Information' (Order Type Offline, Date 18), with a green box labeled '3' pointing to the 'Additional Information' section. The 'Orders' section has a green box labeled '2' pointing to the 'Orders' header. Below it are tabs for 'BY ITEMS' and 'BY SHIPMENT', and an 'ADD TO CART' button. A table lists the order items with columns: LINE ITEM NUMBER, MANUFACTURER, MANUFACTURER PART NUMBER, CUSTOMER PART NUMBER, ORDER STATUS, QUANTITY, UNIT PRICE, and TOTAL. The first row shows a Schurter part (4795 0000) with a quantity of 20 and a total of \$93. A green box labeled '4' points to the 'ADD TO CART' button.
